APPLICANT CHECKLIST

Site plan (scale of 1:200)

A site plan is an aerial view of the land showing the existing and proposed development. It should include:

- which direction is north
- the location of the land, and measurements of its boundaries, and
- distances to boundaries and other structures from the proposed development.

Floor plan (scale of 1:100)

A floor plan is an aerial view of the internal layout of the internal layout of the development. It should include:

- the layout of the proposed and existing rooms, the room names, areas and dimensions, and
- window and door locations and sizes.

Elevation plan (scale of 1:100)

An elevation plan is an external view of the proposed development. It should include:

- side on views of each profile of the proposed development
- external walls and ridge heights, and
- window and door locations and sizes.

PAYMENT

Upon registration of your application, you will be issued with an invoice by email, which will include payment options.
