## Council Briefs

- Nominations are now open for Council's 2025 Local Celebration Awards. This is your chance to recognise the amazing individuals and groups in our city who dedicate themselves to making a positive impact in the community.

The Making a Difference Award honours those who volunteer their time to assist during emergencies or natural disasters, advocate for environmental initiatives, support community sports, or exhibit outstanding leadership within the community. There are no age restrictions for this award.

To learn more about the awards and submit your nomination, visit [penrith.city/local-celebration-awards](https://penrith.city/local-celebration-awards)

- Andromeda Drive Reserve, Cranebrook, is getting an upgrade to improve the reserve's sport and recreation facilities for the community.

The project includes drainage improvements on the eastern field, which have been completed, additional storage space in the amenities building, more car parking, resurfacing and line marking the sports courts, pathways, seating, and tree planting.

This project is funded through the Australian Government's Investing in Our Communities Program and the NSW Government's Western Sydney Infrastructure Grants Program, in partnership with Council.

- Is your pool summer ready? It's easy to check whether your pool is safe for you and any children by making sure that pool gates and latches are in working order, and gates are never propped open.

Backyard access to your pool must be restricted by a child resistant pool barrier.

Young children should be actively supervised when using a swimming pool. Children should not be responsible for supervising other children. These are just some things you can do to make sure that your pool is safe.

For more information, visit [penrith.city/pools](https://penrith.city/pools) or contact Council's Swimming Pool team on 4732 7864.
