Council Briefs

- Field and car park drainage upgrades at The Kingsway in Werrington are now complete. Fields 15-18 have been resurfaced with Couch grass, delivering a higher quality and more consistent playing surface.

A new drainage swale has also been installed in the car park to redirect rainwater away from the fields, improving wet weather resilience. These upgrades improve the overall functionality of the precinct, helping our sports community get back on the field sooner after wet weather. This project is funded by Council and the NSW Government through The Essential Community Sports Asset Program.

- Breakfast with the Birds is back for its fifth year on Saturday 28 June from 8am-12pm at Mountain View Reserve.

Join our Bushcare team and Mark Fuller from Avianation for a guided walk and talk around the reserve, identifying birds, weeding, and a yummy breakfast. Spots are limited so bookings are essential.

- Penrith City Council is collaborating with neighbouring councils in The Parks Strategic Waste Alliance to explore the desire for resource recovery and waste avoidance services in our region.

This includes services like a repair café, a library of things and a tip shop. These services encourage community reuse, repair and resource sharing, helping to reduce your impact on the environment and save you money. We'd love to hear your thoughts!

Complete the short survey before midnight on Monday 30 June 2025 and you could win one of 4 x \$100 gift cards (T&Cs apply).
