## Council Briefs

- Join us for a morning nature journaling at Gow Park on Wednesday 2 July from 9am-12pm! We're identifying and drawing the animal and plant species we see.

You don't have to be an artist to join us – participants who have never nature journalled before are more than welcome to tag along and learn how to get started!

The event is free, but bookings are essential.

Register at [penrith.city/events](https://penrith.city/events)

- Come along to Village Café to meet your neighbours and chat in a friendly and relaxed environment over a free barista-made coffee.

Take the opportunity to connect with local support services to gain free advice on a range of topics including health and wellbeing.

Village Café is held monthly from 9.30am-11.30am on the second Thursday of every month at Wainwright Park, Kingswood; the third Thursday at Wattle Park, North St Marys; and the fourth Thursday at Wilson Park, Llandilo.

See you at Village Café!

- The northern section of the Great River Walk, between Weir Reserve and Cassola Place, is currently closed for repairs following storm damage to the riverbank, pathway and pedestrian bridge.

The path will remain closed for the duration of construction and is expected to reopen in September, weather permitting.

Thank you for your patience as we work to restore this popular community space.
