- Penrith City Council is collaborating with neighbouring councils in The Parks Strategic Waste Alliance to explore the desire for resource recovery and waste avoidance services in our region. This includes services like a repair café, a library of things and a tip shop.

These services encourage community reuse, repair and resource sharing, helping to reduce your impact on the environment and save you money.

We'd love to hear your thoughts! Complete our short survey before midnight on Monday 30 June 2025 and you could win one of 4 x \$100 gift cards (T&Cs apply).
