

MLAK APPLICATION FORM

MLAK is a universal master key that fits into specially designed locks to allow people with disability access to public facilities 24 hours a day, seven days a week, including wheelchair accessible toilets, adult change facilities and Liberty swings. The key system is in place to reduce vandalism, keep facilities cleaner and make sure they're available for people with disability.

Until June 2024, a limited amount of Master Locksmith Access Keys (MLAK) are available from Council to eligible residents, at no cost.
